

SCFWC Board Meeting

Attending: Jim Wright (President), Jim Meyer (Vice President), Mark Offenbacher (Secretary), Freddy Prellwitz (Member at Large); Absent: Russ Bishop (Treasurer), Roger Smith (Member at Large), Jeff Wolf (Safety Director)

- Monitor training needed for existing and new Monitors based on revised guidelines. Freddy P will send out notice through GroupWorks for two training classes on upcoming Fridays.
- Jim W will send note to Janet Turner (Life Style Director) suggesting increased hours of access and remove entry checks. We would reintroduce Member sign-in in the shop
- Shop Improvements
 - We will add additional brooms and replacing damaged brooms.
 - We will purchase one set of Rockler dust collection tools for use by the lathes for review
 - Purchase Grizzly downdraft table kits for construction of downdraft table
- By-Laws / Policies and Procedures - Jim W will send to Barb Wagner for review.
- Additional discussion items:
 - Wall calendar - it was agreed to place a reduced size calendar on the wall desk at shop entry as updated
 - Shop vacs: we will assess the need for number of shop vacs to be in shop based on new dust collection performance
 - Additional wall attachments for brooms, etc.: not at this time
 - Additional sanding belts of other grits: No at this time, however, if a Member has their own belt and skill to change the belt is OK
 - Additional storage for drill press, mill and lathe accessories: a cabinet / cabinets will be constructed to hold face shields, face plates, drill press accessories, etc.
- Jim W will write a letter to inform Brian Duncan that the Woodshop does not need or want the excess dust collection ductwork that is currently outside the shop. We do not want to store it.
